## **Around the Golf Course**

Hey guys just to give everyone a heads up we will be punching the greens on Friday July 12th. The tee box on 15 has been converted to Bermuda grass and will be open to play shortly. The crew will be doing a few more sod jobs on the course in the next few weeks as well along with punching fairways and rough around the cart paths.

We are also in the works of repairing some low lying areas on the greens as well. We are glad to see that we are finally getting some rain on the course. It's definitely been a dry summer. Thank you for the support and I look forward to seeing everyone on the course!!
